- 1 Hall Work
Grant award only covers some of the work. Proposed therefore to only replace guttering, down-pipes and doors - survey has taken place and waiting for date of work to start. Social club window has finally been repaired. Bernard
- 2 RCCE
Energy efficiency initiative for village halls - waiting for information from RCCE Bernard
- 3 CCTV
Discussion took place regarding the recommendations from Anglia Burglar Alarms. It was recommended that we take-up the quotation from ABA which will also allow us to expand the cameras at a future if necessary. Bernard
- 4 Hall Flooring
On going. Bernard
- 5 Car Park
On going (also being discussed at the Environment committee) Parish Council
- 6 Kitchen Refurbishment
Gary was asked to look at the possibility of doing this. He will assess and plan what needs doing Bernard
- 7 Fire and Safety
We are working on the recommendations by the fire officer; Bernard
- 8 Pictures
Pictures to be replaced on the walls in the Halls. Bernard
- 9 Boiler
The boiler was serviced early April.
- 10 New storeroom.
