|---|--|--------|

No new update. | Action |
| 2 | Poors Land
It is proposed to arrange for Billy King to cut lower branches of some trees to allow the tractor to pass more easily underneath. This will be done in the winter. | DS |
| 3 | Heath
The wilderness on the Heath has been cleared.
Overhanging branches in New Church Road also need attention. | DS |
| 4 | Lorkin Daniel Playing Field and Play Areas
It was noted that the use of the Lorkin Daniel Playing field was originally for general recreation. | |
| 5 | Queens Head Pond
"Danger of Deep water" and "No fishing" signs ordered and now in situ.
Clearing of reed masses is a big problem.
More ducks are to be ordered. | DS |

There appears to be no real problem with garden waste being dumped at pond area.
The trees planted last year are surviving. Bank of reeds also becoming a problem. | DS |
