

WEST BERGHOLT PARISH COUNCIL

Hall Report

Meeting held Thursday 14th January 2010. John Lampon Hall

Councillors present Bernard Colbron, John Gili-Ross, Sally Butcher and Sue Day.

Apologies

1 Cleaning of Hall

Bernard has approached two companies.

- a) Ocean Cleaning are still to get back to us. Their proposal to clean at midnight could be a problem.
- b) Mike's Cleaning Service will take 3 - 4 weeks to get a team together. Similar places, that they already clean, to be contacted to check that they do a good job. A good idea to give them a three month 'probationary' period.

2 Light Bulbs

Bernard to replace: one inside and one outside.

3 Wear and tear in The John Lampon Hall

The walls are crumbling at the corners low down. It was agreed that Gary should be asked to repair them.

4 Orpen Hall Curtain and Wiring

Orpen Players have indicated that they have not received the cheque for the curtain. Bernard to check that.

Orpen Players have suggested that the stage wiring needs testing and maybe replaced. Testing was done in August and is done annually. Bernard to contact Orpen Players with regard to exact problems. What, if anything, has gone wrong/broken?

5 Kitchen

Andrew still awaiting reports.

6 Glass Panel

Is cracked in The John Lampon Hall. To be kept under observation until better weather, when it can be more easily be replaced.

7 Valley on Orpen Hall Roof

Verbal quote received from Premier. Awaiting another quote. Decision must be made as to the material that we require for this repair, bearing in mind other repairs that may need to be undertaken to the hall roof in the future.

8 Social Club Boiler

Has been repaired again.

Date of next meeting to be arranged
