

## WEST BERGHOLT PARISH COUNCIL

# Village Street Scene and Communications Committee

Meeting held Wednesday 20<sup>th</sup> January 2010. John Lampon Hall

Councillors present Jenny Church, Bernard Colbron and John Gili-Ross

Apologies

### 1 Bulletin

Prices have been received for the next Bulletin publications. Due to the complexity of said prices we held a special meeting.

Bernard Colbron, as editor, had a meeting with Colin Williams, owner of Serif, at the beginning of December. He took away a copy of the Bulletin and said that he would get back when he wanted the digital files. Middle of December the files were sent to him. Sample of front page and prices were received middle of January. The prices quoted were for 1100 copies, we had discussed a quantity of 1500. I informed the committee that if we went with Serif I would resign as editor as I had no confidence in Serif.

After a lengthy discussion it was agreed that our publication for the March edition be in the same style as before to give us time to research other possibilities.

### 2 Key box

The Parish Clerk has been asked to order another key box to store the extra keys from all the external doors in the hall and on the playing fields.

**Date of next meeting to be arranged for February.**

**Any communications will be dealt with by email.**
