Apologies Jenny Church

1 MUGA

Complaints received that football was still being played after 9pm on Sunday. The gate had been left unlocked. David Short has purchased a new lock. The combination will only be passed on to members. Still waiting for the MUGA committee to pass running of MUGA over to the Parish Council.

2 Orpen Hall

Electrical work completed. It is anticipated that no further attention will be required for five years.

3 John Lampon Hall

Agreed that Gary should be asked to paint the walls in the John Lampon hall and to clean and mend the lights. This work would be done during the summer holidays. Looking into a wall protector to prevent tables scuffing the walls.

4 Hall Chairs

Provision of new chairs put on hold until finances are assured.

5 Cycle Rack

Put on hold for the moment.

6 Signs

The suggestion that all the signs should be put together at the entrance to the Orpen Hall was accepted, subject to material and design. It was agreed that some signs should be left in situ.

7 Hire Rates

The details of the agreed increases have been passed on to June so that she can begin implementing them.

8 CCTV

It was agreed to go ahead with a new VCR which will support 16 cameras. All the existing cameras will be serviced and updated. We agreed NOT go ahead with the Mosquito Youth Deterrent System.

9 Social Club

The heating is not working properly. The heating will be inspected on Friday 11th February. The Hall Administrator will supervise.
