### 1 MUGA

Meetings still taking place. Aims to take over running the MUGA 1<sup>st</sup> June 2011 if all questions are covered.

### 2 Orpen Hall

It was suggested that the projection room would be improved by the laying of a carpet. Harry to investigate.

Provision of new chairs on hold until finances assured.

### 5 Cycle Rack

Jenny to price up.

### 6 Signs

Bernard to decide what is to go on the signboard and pass it on to Bob for suggested design.
