1 MUGA

The Sports Area committee will be holding a meeting next Tuesday to review progress. Problems are still occurring with the gate locking. The marking out of the courts will be proceeded with. The cost of the marking will come from their own funds. The pressure cleaning was a success and improves the appearance. Other operating problems are sorting themselves out. It was decided that all details would be reviewed after twelve months.

The committee agreed that thanks should go to the staff of the Co-op for looking after the booking and token sales.

2 Wall

The builder has now received his cheque for the cost.

4 Hall Chairs

Under review. It was suggested that thin cushions be made available.

5 John Lampon Hall Sound Improvement

New quote received and the contractor will be contacted for a start date.

6 Communication

It was agreed that an article would be placed in the Bulletin to publicise the plans. A new shop in the village has agreed to fund the first newsletter that will be available from shops, etc. Also to be placed on notice boards.

7 Kitchen

Still awaiting response from the insurance company of company chosen to do the work and start date.

8 The chair of the Committee will be attending a 'conference' on village halls to be held by the RCCE.
